

CAPABILITIES STATEMENT

ABOUT PHASE II

Founded in 2016, and headquartered in Quantico, Virginia, Phase II is a CVE Verified Service-Disabled Veteran-Owned Small Business (SDVOSB). A hybrid business, we provide trained and experienced Capture and Business Development Consulting Services, on-site and remote Program/Project Management and Cyber/IT Technical Support Services, and a customer-facing reseller for US-made technologies that solve critical challenges facing our customers. Phase II is the partner you want to ensure mission success today and in the future.

CORE CAPABILITIES:

► Cyber/IA Governance

Phase II provides High Value Asset Assessment & Authorization (A&A), Risk Management Framework (RMF), Policy Management & Development, and Compliance / Risk Management.

► Cybersecurity & Digital Forensics

Phase II provides Cybersecurity and Digital Forensics experts who perform intrusion detection, monitoring, and incident response.

► System Integration, Training, and Field Service Support

Phase II provides ready-to-deploy systems integrators, trainers, and technicians capable of mastering any technology including Land Mobile Radio (LMR), Wireless/Wifi, Satellite Communications, Line of Sight/Beyond Line of Sight (LOS/BLOS) microwave, Inside/Outside Plant, and more. DoD 8570 IT Certification Instructors.

► Systems Engineering and Technical Assistance (SETA)

Phase II provides SETA services to include Network Engineers, System Engineers, Information Security Engineers, Testing Engineers, System Administrators, and Software Engineers.

► Professional Services

Phase II provides experts in Planning, Programming, Budgeting, and Execution (PPBES), Requirements Development (JCIDS), Business Process Improvement, Leadership Development, Acquisition Support, and Administrative Services.

► Hardware Reselling and Service

Phase II sells state of the art, paradigm changing hardware solutions to support the critical mission needs of Military and First Responders.

CONTRACTING AVENUES
